Education

Wilfrid Laurier University, Waterloo, ON (2021 - Present)
Honours Bachelor of Science, Computer Science
Major GPA: 11.25

Relevant Experience

Merchandiser/Sales Associate (Walmart) 2021-2022

- Provided high-quality customer service by addressing inquiries and guiding customers towards suitable product choices, developing skills in client needs assessment and gaining a customer-focused mindset.
- Ensured a high standard of both visual appeal and functionality across various sections of the store by properly organizing items whilst aligning with modular guidelines to assure product accessibility and customer satisfaction.

Data Entry/Tax Preparer (Investia Financial Services) 2022-2024

- Maintained accuracy and attention to detail by entering T4-related data for over 200 clients using Cantax, ensuring data integrity, as well as efficient and timely tax submissions.
- Reviewed and organized client tax documents by cross-checking client-given information, minimizing errors and verifying data consistency.

Projects

Blood Sugar Monitoring Dashboard

- Developed a responsive web application to visualize and help manage personal blood sugar levels using React.js and Chart.js, enabling the identification of trends and patterns over time.
- Integrated Dexcom G7 API for real-time data retrieval, ensuring accurate and up-to-date monitoring of blood glucose readings.

E-commerce Product Page

- Designed and developed an e-commerce product page using WordPress and WooCommerce, showcasing a visually appealing layout and enhancing user experience.
- Implemented payment gateway integration for secure transactions and set up Google Analytics to track user interactions.

Personal Portfolio Website

- Built a personal portfolio website using HTML, CSS, and JavaScript to showcase projects, skills and experience in front-end development. Access at: www.nicolastemporao.com
